Please send us a copy of all federal forms used to compute your local tax and an itinerary of days worked outside Cincinnati, listing dates and location if applicable. Individuals who file as Sole Proprietors or Single Member LLCs should also use this form.

**General Information:**

1. "Qualifying wages" generally include amounts reported in the Medicare wage base (the amount in Box 5 on the W-2) plus supplemental unemployment compensation benefits paid pursuant to an employer sponsored plan and compensation of pre-1986 employees exempt from Medicare that is not in the Medicare wage base solely because of the Medicare grandfathering provision.
2. The due date for filing Net Profit returns is April 16<sup>th</sup>, 2007 or the 15<sup>th</sup> day of the fourth month following the fiscal year end.

**Part A - Tax Calculation**

**LINE 1:** Enter the total qualifying wages. If stock options are included on your W-2 in Box 5, deduct the amount paid in stock option compensation to determine qualifying wages. Provide documentation of the stock options exercised. Attach copies of the federal forms and schedules showing all reportable income with the return. For multiple W-2s complete Worksheet A on page 2.

**LINE 2:** Enter the amount of unreimbursed employee business expenses. You must include a copy of Federal Form 2106 or 2106EZ to support the deduction.

**LINE 3:** Line 1 minus Line 2.

**LINE 4:** Part year or nonresidents only: Deduct the amount of gross wages included on Part A, Line 1 that were earned outside of Cincinnati during the period when you were not a resident. If accurate records are not available, you may prorate your taxable income by dividing the number of days lived in Cincinnati by the total days in the year. *Include a schedule of calculations and an itinerary of days worked outside Cincinnati, listing the dates and the location of the work site.*

**LINE 5:** Line 3 minus Line 4.

**LINE 6:** Complete Worksheet B Business Income or Loss.

**Schedule C - Business Income:** Residents are subject to Cincinnati tax on all business income no matter where earned. Nonresidents of Cincinnati must multiply the net profit or loss from each Schedule C using the apportionment percentage derived on Schedule Y to determine the Cincinnati Taxable Income (Loss). Combine the profits and losses from all businesses reported on Schedule C.

**Schedule E-Rental Income:** Cincinnati residents report all profits or losses from rental property no matter where property is located. Nonresidents of Cincinnati report profits or losses only from properties located within Cincinnati. Total monthly rents collected must exceed \$500 per month for this activity to be classified as a business (taxed on income or eligible to deduct losses).

**Schedule K-1 – Partnership Income:** The tax is levied on the partners, members or other owners of a flow-through entity excluding S-Corporations. Businesses operating in Cincinnati are required to report the portion of net profit earned in Cincinnati and to remit the tax on behalf of all their partners. Residents of Cincinnati are to report their distributive shares of income or loss that was not withheld on by the business. The resident taxpayer may claim a credit for taxes paid to other localities by the business.

**Miscellaneous Income:** Please provide documentation such as copies of federal schedules or Forms 1099-MISC not already reported on Schedule C. Also taxable are all prizes, awards and income derived from gaming, wagering, lotteries or schemes of chance by residents, regardless of where derived or by nonresidents from sources in the municipality and as reported on IRS Form W-2G, IRS Form 5754 or any other form required by the Internal Revenue Service to report such prizes, awards and income. (1099s reporting interest, dividends & retirement income are NOT taxable.)

**NOL Carryforward:** Enter the amount of net operating losses apportioned to Cincinnati. Operating losses may be carried forward for a maximum period of five tax years. *An explanatory schedule is **required** to support the carry-forward operating losses claimed on the return.*

**Total Income (Loss):** Add all the profits and deduct the losses in the Cincinnati Taxable Income column. Enter on Part A, Line 6.

Cincinnati taxable income is determined by multiplying the Cincinnati percentage indicated by the net profits from Schedules C, E, F, K-1 or 1099. The Schedule Y- Business Apportionment Formula (CMC 311-7) on page 2 is completed by nonresidents who earn a portion of their net profits in Cincinnati. (Refer to Regulation R-7 for complete details.)

**LINE 7:** Line 5 plus Line 6. (Losses may not be used to offset W-2 income from Line 5).

**LINE 8:** Multiply Line 7 by 2.1% (.021).

**LINE 9a:** Enter the amount of Cincinnati Tax withheld by employers.

**LINE 9b:** Enter the amount of estimated tax payments including any amounts paid with an extension. Estimated payments may be subject to the underpayment of estimated tax penalty. The total of the quarterly estimates should equal 100% of the prior year's tax or 90% of the current year's tax.

**LINE 9c:** Enter the amount of taxes withheld for or paid to another city. Residents of the City of Cincinnati may claim taxes paid to another city up to 2.1% of the Qualifying Wages reported on each individual W-2. Credit is limited to the local tax rate used (2.1% or less) multiplied by the Qualifying Wages, and is further restricted if the municipality has a wage cap. Part-year residents may claim taxes paid to other cities for the part of the year they were a resident. Nonresidents may not claim taxes paid to another municipality. (Provide documentation in the form of W-2s or tax returns submitted to other municipalities). Partners claiming credit for taxes withheld by a partnership must provide documentation to support this credit.

**LINE 10:** Add Lines 9a, 9b and 9c.

**LINE 11:** If Line 8 is greater than Line 10, enter the tax due. Payment is not required if the amount is less than \$5.

**LINE 12:** If Line 10 is greater than Line 8, enter the overpayment.

**LINE 13:** Enter the amount from Line 12 to be refunded. Amounts less than \$5 will not be refunded.

**LINE 14:** Enter the amount from Line 12 to be credited to the tax year 2007 estimated tax liability.

### **Part B - Declaration of Estimated Tax for 2007**

**LINE 15:** Base your estimated income on the amount subject to tax in the preceding full year, or by annualizing income if the preceding tax year was not for a full 12-month period. Although you have the option to pay only 90% of the estimated annual tax liability in four quarterly installments, use of this option will subject you to the possibility of an interest and penalty assessment if the installment payments total less than 90 percent of the ultimate tax liability.

**LINE 16:** Enter the total estimated tax due for 2007.

**LINE 17:** Enter the estimated amount of Cincinnati and other allowable municipal taxes to be withheld from your wages by your employer.

**LINE 18:** Line 16 less Line 17.

**LINE 19:** Divide Line 18 by 4 to determine the amount of estimated tax to be paid for the first quarter.

**LINE 20:** Enter the amount of credits from Line 14.

**LINE 21:** Enter and remit the net estimated tax due if Line 19 minus Line 20 is greater than zero. **This is the first of four quarterly estimated tax payments. We will not bill you for the remaining quarterly installments. The second payment is due on July 31, 2007 and is equal to the total estimated tax on line 18 divided by 4 less any overpayment still available from prior years. The third payment is due October 31, 2007 and the final estimated payment is due January 31, 2008. Failure to remit timely estimated payments may result in the assessment of interest and penalties.**
